

Mount Shaddai Homeowner's Association

<http://myelshaddai.org/>

As of November 1st, 2006 we will be using a new web-site. If you go to the old web-site after November 1st, you will see a link to the new web-site. This link will only be on the old web site for 1 year.

Jerry Freudenthal has set up a *.org web site for us. This will make it much easier to find. He is also going to cover the first years cost. So the homeowners will not get a bill for the site until next October 2007.

This is our homeowner's site for you to check on and receive information. Tell your friends, future buyers, and real estate business about his site. It will also help future owners know what is going on in our development.

This is not a personal use web site for individuals; it is for the homeowners business, and information use. Homeowner's event can be posted, such as the July homeowner's party or other similar events of the homeowners.

Thank You

Jerry Freudenthal Saturday, October 14, 2006
